

NIMRODISM REVIVED

NYRON MEDINA

We are living in the last days of the earth's history, and as we are about to face the first international global legislation, this happens because some semblance of globalism takes effect before. **Sunday laws** will thus be the **first** real manifestation of globalism like the days of the building of the **Tower of Babel**.

Concerning the Tower of Babel, we are told in the Bible. "And Cush begat Nimrod: he began to be a mighty one in the earth. He was a mighty hunter before the LORD; wherefore it is said, Even as Nimrod the mighty hunter [preferred] before the LORD. And the beginning of his kingdom was Babel, and Erech, and Accad, and Calneh, in the land of Shinar." **Genesis 10:8-10**. The account of the building of the Tower of Babel is found in Genesis 11:1-8. Of this event the ancient writer Josephus tells us.

"... It was Nimrod who excited them to such an affront and contempt of God ... He persuaded them not to ascribe it to God, as if it was through his means they were happy, but to believe that it was their own courage which procured their happiness. He also gradually changed the government into tyranny,—seeing no other way of turning men from the fear of God, but to bring them into a constant dependence upon his power." **Josephus Complete Works**, p. 30.

"... These Babel builders determined to keep their community united in one body, and to found a monarchy that should eventually embrace the whole earth. Thus their city would become the metropolis of a universal empire; its glory would command the admiration and homage of the world and render the founders illustrious.... The whole undertaking was designed to exalt still further the pride of its projectors and to turn the minds of future generations away from God and lead them into idolatry.... The people rejoiced in their success, and praised the gods of silver and gold, and set themselves against the Ruler of heaven and earth." Ellen G. White, **Patriarchs and Prophets**, p. 119.

"The men of Babel had determined to establish a government that should be independent of God.... Had they gone on unchecked, they would have demoralized the world in its infancy. Their confederacy was founded in rebellion; a kingdom established for self-exaltation, but in which God was to have no rule or honor." **Ibid**, p. 123.

The following points are the means the Council on Foreign Relations (CFR) globalists have implemented to destroy America, which is the only obstacle to world government:

"The CFR's membership of 4,275 conspirators, backed by the organization's predominantly Zionist Jew leadership, demands that, by the year 2010, America as we once knew it will no longer exist. By that date, the Illuminati intends that the following be achieved:

(1) A new currency, called the *Amero*, replace the dollar. (2) All borders between Mexico, the U.S.A., and Canada be erased and the Border Patrol retired. (3) A north American Parliament Group, composed of Mexican politicians and U.S. quislings take over legislative authority, superseding our own Senate and House. (4) A North American Judicial Council or Tribunal, take over the judicial function and demote the U.S. Supreme Court to an advisory only role. (5) a joint Executive Authority to be set up, possibly with its capitol in Mexico City or Toronto, to dictate to U.S. citizens the terms of surrender. (6) The 106 million citizens of Mexico be given full rights by the defiant U.S.A. and be allowed to enter our territory, re-conquer and seize whatever lands and property they wish within the once sovereign U.S.A. (7) The Bill of Rights be abolished and a new North American "Declaration of Rights" be drawn up. It will comprise a shrunken list of abridged, government granted privileges more suitable to the changed times. (8) Over 100 million Mexicans living South of the Border, plus 20 million more Mexicans now residing illegally in the U.S.A., will be awarded full social security and medicare benefits and have full job, voting and other rights granted to them. American taxpayers will foot the bill. (9) Mexican workers will be given affirmative action and preferential job quotes. Millions of anglo-Americans will lose their jobs. (10) Hispanic-owned operations will be favored with government grants and contracts. The economies of Mexico, the former U.S.A. and Canada will be totally merged and a 4-football fields wide NAFTA super highway is already being built. Thousands of air-polluting Mexican trucks and vehicles will rumble up I-35 and disperse to the various states. (11) The 50 existing American states will be formally dissolved and the former U.S.A. will be divided into ten weakened administrative regions. Some will have Mexican leaders appointed over the local, formerly American citizens. (12) Spanish and English will both be recognized as joint official languages. Mexican textbooks critical of United States history and disrespectful of American "gringo" traditions will be required in all North American schools. (13) The North American Union will join the European Community and the ASEAN (Asian) Union as the three major subdivisions of the planned global governance system, as envisioned by Rockefeller's Trilateral Commission." Texe Marrs, **The Murder of America**, p. 2-3.

Globalism is at heart **anti-Jesus**, it has been used to facilitate the devil with an opportunity to totally wipe out the knowledge of God from the earth. This is why we are told that God **hates** globalism and "... hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation; that they should seek the Lord, if haply they might feel after him, and find him though he be not far from every one of us." **Acts 17:26,27**. Thus globalism will **destroy** all religion after it has been used to establish itself. "The ten horns... have one mind, and shall give their dynamic (constitutions) and authority (of government) unto the beast (socialism/communism).... And the ten horns (globalism... shall hate the whore (false religion), and shall make her desolate and naked, and shall eat her flesh, and burn her with fire." **Revelation 17:12-16**. We are finally reaching the closing events of history, may we accept Jesus' character for salvation. Amen.
